

CLASSROOM 3RD/4TH GRADE NEWSLETTER

OCTOBER
2026

Look What We Are Learning

MATH:

Third and Fourth grade both finished Chapter 3 this week. Third grade is moving onto understanding multiplication, and Fourth grade is learning how to multiply double-digit numbers. Please be on the lookout for multiplication practice each week.

ELA

We are working on our weekly spelling words. We have started working on our opinion writings, and also talking about text features in non-fiction texts.

SOCIAL STUDIES/ SCIENCE

In Social Studies we are working on all things Missouri. We are learning about the different regions, rivers, and resources in Missouri. In science we are learning about the different types of energy such as kinetic, electric, heat, sound and light.

RELIGION

We finished up Theology of the Body, and are now learning about how Jesus gave us the Church.

What's New

GARDEN GROWTH

Please encourage nightly reading and study those spelling words. Each student will be responsible to complete one book report each month on a book they have read that month.

Reminders

Spelling test are every Friday.

Please keep signing those planners. If your child's planner is not signed by me, this means I didn't see it, and it was not okayed by me.

Upcoming

- Oct 13: Fire House Trip
- Oct 19: Heartland Farms Trip
- Oct. 22: Parent-teacher conference
- Oct. 23: No School
