

Mrs. Stark's May Pre-K News

In Class

Our last newsletter! What a year this has been. My favorite thing about Pre-K is seeing all their growth especially with this smart group of students! They really have come such a long way. Their letters, words, numbers and coloring have all improved so much. Not to mention their milk opening skills-I am proud to say that everyone in Pre-K can open their own carton of milk at lunch!

I feel truly blessed to have spent this year with each and every student\.

Practice

Math Readiness:

We will discuss the different ways of sorting (i.e. numbers, colors, size, length, etc.)

Science:

The next unit will focus on Liquid/Solids and Floating/Sinking.

Language Arts:

Our collection of sight words is growing! We will also be creating and End of The Year Memory Book.

Faith

May God's blessing go with us today, At the end of this school year we pray.

That you keep us safe and give us rest
So we start again renewed and refreshed.
Full of health, full of fun
Ready to come and learn again.

May God's blessing await us
next year,
To embrace each challenge
without fear.

Amen.

Book Orders can be returned at any time.

Feel free to email me with any question or concerns.
