

Our Ocean Adventures!

Preschool Newsletter

Dear Families,

We are having so much fun learning and growing together! This month, our classroom is full of exciting ocean adventures, learning, creativity, and Halloween fun!

WHAT WE ARE LEARNING

Gg Hh

Letters Gg & Hh

We are learning the letters Gg and Hh and practicing recognizing, saying, and writing them. We are also doing lots of fun crafts and activities with the letters we are learning.

4 5

Numbers 4 & 5

We are learning to recognize, count, and practice writing the numbers 4 and 5.

Mat Man

We are learning how to make Mat Man while practicing body parts, shapes, and drawing. This is helping us learn how to put our drawings together step by step!

ABCD

ABC Practice

We are practicing our ABCD again to help strengthen our letter recognition and memory.

SOCIAL SKILLS & CLASSROOM ROUTINES

We are still working on:

-  Sitting still and working
-  Respecting our personal space
-  Showing kindness to our friends
-  Using gentle hands and kind words
-  Listening when others are speaking
-  Following classroom routines

We are learning that being kind, caring, and respectful helps make our classroom a happy place for everyone!

CIRCLE TIME & STORY TIME

During circle time, we continue practicing listening, participating, and sitting together as a group.

Our line leader gets to pick a favorite book for us to read during story time!

This gives our students a special opportunity to make a choice and share a story they love with their friends!

HALLOWEEN FUN!

Halloween is here! 

We will be doing fun Halloween activities, crafts, and learning projects throughout the month. We are excited to learn while having lots of spooky, silly fun!

With Love,
Mrs. Trisha Bhula
