

# HORN'S HEADLINES

## What We're Learning

In Reading, the kids continue to work hard to meet their reading goals. You can refer to the 4<sup>th</sup> quarter benchmark paper to see if your child is on track to finish by the end of the quarter. Please let me know if you have any questions about this. We will be finishing up on our Reading series and book clubs in the next few weeks and will spend the rest of the year reading a short novel together.

In English, we will be writing friendly letters to 2<sup>nd</sup> grade to give them a head's up on what life as a 3<sup>rd</sup> grader is like. We will also be making scrapbooks of all the fun memories we've shared this year.

In Math, the kids have become fact masters! We will finish our math book this month then brush up on some important concepts from this year.

In Religion, we will be making a rosary book. The kids are learning a lot about the mysteries of the rosary as we correlate them with scripture verses. We've had some great discussion on how this is another way to strengthen our relationship with God as we pray to Mary.

Just a reminder that if you ever have any questions or concerns, feel free to message me through Class Dojo or leave a message at school. (573) 468-4423

Grades are recorded in my gradebook through Thinkwave a couple of times a week. Feel free to check your child's grades via Thinkwave for the most up to date record on their grades.
